Dear Friend,

With a grateful heart, I want to thank you for blessing Israel in 2018 through your generous partnership with the ICEJ. Your financial support has made a tremendous difference in the lives of many Israeli people!

Together we have had direct impact on the people of Israel. In 2018 the ICEJ;

- brought back 2400 Jews from around the world, this brings our total to 142,000 new immigrants since 1986,
- helped these immigrants start new lives in an unfamiliar homeland,
- started renovation of our Home for Holocaust Survivors in Haifa to enable us to give better Quality care for the residents,
- provided 17 fire trailers to combat the raging fires in southern Israel caused by the Jihad kites and balloons, and
- placed our 70th bomb shelters in vulnerable communities.

Please prayerfully consider what the Lord would have you do this year. Your help is so greatly needed. I pray you will continue to stand with us as we conduct renovations of the Home for Holocaust Survivors, where they live free of fear and in a loving environment provided by Christians who care for them. We will also continue to provide assistance to communities that are under constant rocket attacks from Gaza by placing bomb shelters and offering trauma assistance.

God is so good to hear their cries and use us to answer! Through you the Lord is blessing and strengthening His people, giving them courage and resolve to face tomorrow knowing they have Christian friends who stand with them.

God's Word calls us to comfort the Nation of Israel in Isaiah 40:1. It is a huge commitment to increase care to the Holocaust survivors, placing more bomb shelters and continue to give relief in times of crisis. **We need you, we need each other!**

We honor you as an ICEJ Covenant Partner. Thank you, dear friend of Israel. As the prophet Isaiah says, "comfort ye comfort ye my people". May we continue to do so, throughout this year. May God bless you!
